

The Norway Organising Committee

Author: Gabriele Brennhaugen<post@ua21.no>

(29.08.2007) The Norway Organising Committee advises Young Agenda 21 and UNEP on the contents of the conference programme. Appointed by the Board of Young Agenda 21, the competent members of the committee make important contributions to the planning and execution of the Tunza conference.

The committee is comprised of enthusiastic people from environmental and developmental organisations, educational institutions and from industry and trade. They have had 3 meetings and will work out a final suggestion for the programme in September 2007, before presenting it to the Junior Board, Young Agenda 21, UNEP, and finally the Executive Committee.

The Norway Organizing Committee is comprised of the following persons:
