

# Junior Board

Author: Gabriele Brennhaugen<post@ua21.no>

**(03.09.2007) UNEP is determined to engage children and youth in their work for a sustainable future, and involves them actively in the planning of the Tunza conferences. At every conference a Junior Board is selected to take part in the planning and execution of the next Tunza conference. The Board consists of children representing all regions of the world.**
