### Action groups

Action groups are groups that meet during 3 days and discuss the theme of the day, how they can put it into action in their home places, and work out personal commitments for the delegates.

## Workshops and fieldtrips

A variety of workshops and fieldtrips related to the topic of the day or to general environmental aspects are offered. The complete overview of these can be downloaded [here](#). Delegates have been informed by email about the selection their activities. Each delegate may attend two workshops and two fieldtrips during the conference. Please go to [http://www.ua21.no/tunza/tunza\\_2008/programme](http://www.ua21.no/tunza/tunza_2008/programme) for more information.

There will also be certain activities specifically for the chaperones.
