

Children's Project Presentations

Author: Gabriele Brennhaugen<post@ua21.no>

(02.06.2008) Some children have been selected by UNEP and the Junior Board to present their environmental projects during the plenary sessions on Wednesday, Thursday and Friday during the conference.

Children/groups who are not mentioned in this overview, are not going to present.

Each presentation must not exceed 5 minutes' duration.

The presenters are kindly requested to send the text of their presentation to Young Agenda 21 by [email](#) no later than 5th June - this is to make the translation work easier for the interpreters at the conference.

Wednesday 18 June - Energy and Water themes
