

The board of Young Agenda 21

Author: Administrator User<bernt@enternett.no>

(21.10.2008) The board of the foundation is made up of representatives from some of the founding sponsors, from environmental organisations, educational institutions, and others. Ms. Anne-Kari Aas Eielsen is the chair of the board. She is an information consultant at Lyse Energi.

The members and deputy members of the board are elected for two years, and half of the members are electible every year. The board is the highest authority of the foundation, and it elects new members itself.
